PROFESSIONAL EXPERIENCE

AllSourcePPS

Process Assistant 1

- Contracted out to Dominion Energy Inc. by AllSourcePPS.
- Assisted on a wide scale cable management project; duties included running cable, making sure they were tidy and out of the way.
- Supported day-to-day IT assignments including imaging and desktop management.
- Working with Dominion Energy has taught me how to have a good work ethic and the importance of being punctual.

General Electric

IT Support

- Provided assistance to on-site IT manager.
- Acted as desktop support for the east side of the building, which included setting up new machines for employees, optimizing performance, and fixing small IT related issues when needed.
- General Electric has given me experience with communicating with the user and scheduling.

Maxx Potential

Intern

- In school internship with system administration, web development, and data management projects for potential customers.
- I led the projects as System Administrator and Network Administrator.
- Usage of Scrum/Agile for day to day workflow.
- Using hard skills with soft skills to work with upper management and product owner.

EDUCATION

CodeRVA Regional High School

Richmond, Virginia

Expected Graduation June 1, 2020

- I have taken classes in Cyber Security, Game Development, Programming, and Entrepreneurship

SKILLS & CERTIFICATIONS

Technical Skills

- Python, PowerShell and Bash
- LinuxOS and Administration
- Windows Server and Windows 10 Administration
- Microsoft Office, VMware, and Google docs
- Networking and Network Security

- Nginx and Docker for web development and hosting

Certifications

- CompTIA ITF+ 2019
- Microsoft Word 2016
- Microsoft Excel 2016
- Microsoft Power Point 2016
- Microsoft® Digital Literacy

SERVICE

Boy Scouts of America

Eagle Scout

- Designed and rebuilt a natural garden that was deer resistant for the Virginia Historical Society's "Virginia House."

ACTIVITIES

Technology Student Association

- Active member since 2014
- Lead the cybersecurity and coding team, some of my roles included training and delegation of problems
- Tutored members on the compTIA ITF+ (IT fundamentals) certification while also placing 6th in international competition July, 2019
- Being a leader in the Technology Student Association had taught me how to delegate work, have clear team communication, and manage priorities.

CodeRVA Security Club and Linux Users Club

- President 2019-20
- Created instructional videos to demonstrate how to solve security-related problems
- Lead the team at statewide and local competitions
